The teachers have the greatest responsibilities. Having the guidance of the new generation during its most impressionable years, they must give it the information which will enable it to hold on to the best of the past and construct a better future.—*Henry A. Wallace.*

GUIDANCE

Our Principal

WYLIE A. PARKER, B.A., M.A.

An A-1 Citizen

Sincerely faithful to state, country and school, Wylie A. Parker, principal of Forest, is an A-1 citizen in all respects. The author of the proclamation which the state legislature adopted in 1931, setting aside the week in which Texas Independence Day falls as Texas Week, Mr. Parker is true to Texas democracy and Texas ideals.

Establishing the Texas Memorial Library, which is now one of the largest and finest school collections of its type with more than 2,000 books and pamphlets about Texas, is another of his many accomplishments. These books are presented to the library at the Texas Week assembly by clubs, classes and individuals. Many of the trees in front of the school, dedicated to renowned Texans, were provided by Mr. Parker.

The inauguration of the service flag is the work of Mr. Parker's patriotism and earnestness as an American. Since its initiation many hundreds of names have been added to it as a result of his tireless search for information of ex-students in the service, their addresses and their accomplishments.

Next to his respect for and loyalty to the red, white and blue is his devotion to the green and white of Forest. The "twelfth man" on the Lion squad, Mr. Parker has not missed a Forest football game in the past 27 years. With "Yea Green and White" his favorite yell, he is the Lions' chief rooter and encouragement.

Mr. Parker never hesitates in the promotion of any drive worthwhile to the school. Of all the challenges he has offered the students, the challenge to keep waste paper out of the halls and off the sidewalks has been most effective.

His genial manner and just attitude have won Mr. Parker the respect and honor of all who know him. His love for the students and his profound interest and faith in them provide memories which graduates carry away with them to keep forever.

Many and varied are his interests, but they culminate in the services that he has rendered our school.

Our Dean

RACHEL FOOTE
Ph.B., M.A.

Pleasantly charming and industriously capable, Forest's dean, Miss Rachel Foote, takes a keen interest in the students, their problems and their activities. The sponsor of both the National Honor Society and the High Scholarship Club, she inspires students to uphold high standards of conduct and character.

Always ready to hear any excuse no matter how impossible, Miss Foote retains her calm dignity and understanding in her dealings with the students as well as their parents.

Forest is privileged to have a dean so admired and respected by both faculty members and students.

Starting the '43-'44 season by taking last place in the All City R.O.T.C. matches, the Rifle team bested North Dallas for fifth place in the Eighth Service Match. Bobby James, captain of the team, fired second in the city in the Eighth Service Match, and was then chosen for the city team, which fired the intercollegiate match. The team ended the season with the nation-wide Randolph Hearst Match. For the first time the Rifle Team was awarded letter jackets. Prospects for next season seem bright as Captain Bobby James, Captain Charles Griggs and Staff Sergeant Auble Burgess, three of the top scorers, will return for next season's matches.

C.O. ROLL CALL

Since he has obtained the highest rank a cadet officer can receive in Dallas high schools, LT. COLONEL LESLIE MITCHELL has become the battalion commander of Forest. Completing four years of military and attending Camp Dallas three times, Leslie has won four medals for marksmanship and medals for shot-put and boxing. His favorite subject is mathematics, and he plans to attend Texas A&M College upon graduation.

The executive officer of the corps is MAJOR BILL BUSHMAN, who is rated as the strictest officer in the corps. "Major Bill" has been on the Rifle Team for two years and fired on the city match in '42, winning three expert medals, one marksman and three sharpshooter. Bill plans to attend Texas A&M College.

CAPTAIN MARVIN NIELSEN, who commands Co. A, is the toughest company commander of the corps. He has completed three and one-half years in military and is one of the few 3A's to receive the rank of captain. He is an attendant of Camp Dallas twice. Among his trophies are two medals for marksmanship. His after - graduation plans are to join the Marines. Military is his favorite subject.

CAPTAIN JIMMY BURCH, commander of Company B, is one of the best disciplined officers in the corps. Jimmy, who has completed two and one-half years of military, has attended Camp Dallas twice. During his military career Jimmy has won expert, sharpshooter and marksmanship medals. He plans to attend Texas A&M College.

The first ranking captain in the corps is CAPTAIN ROBERT GOLDBERG of Company C. Bobby has completed four years of military, attended Camp Dallas three times and has won two marksmanship medals. Bobby says, "My pet peeve is the loafing of Staff Sgt. Ross Cangelose." Although Bobby plans to attend Texas University, his choice of the armed service is the Navy Air Corps.

CAPTAIN CHARLES GRIGGS, commander of Company D, has completed three and one-half years of military and three months at Camp Dallas. Girls who pop their chewing gum are his pet peeve. Since his favorite subject is military, he plans to attend Texas A&M College.

CAPTAIN JACK SUMMERFIELD, captain and drum major of the band throughout the last session, has completed four years in the band and has attended Camp Dallas three times, where he received the awards for being the most efficient bugler and the most efficient sergeant. He also has won two sharpshooter and three marksmanship medals. Jack's favorite subject is public speaking and his hobby is caricatures. He plans to attend the University of Wisconsin.

TRUMPET TRIFLES

Climaxing three and one-half years in the band, First Lt. Benny Apple was transferred to the Staff, where he was promoted to a captain. The band paid tribute to the former executive officer by describing him as "to the band as Whimpy is to hamburgers, Duke Ellington is to solitude and the Dodgers are to Brooklyn" . . . An amazing oddity occurred when Richard Christensen became the third consecutive bass-drummer to serve as First Sgt. . . . The first was George Maddox, now in the army, who graduated in June, '43 . . . Then Jack Summerfield became First Sgt. and bass-drummer, immediately followed by Richard . . . Some of the girls of Forest changed the name of the band column from "Trumpet Trifles" to "Trumpet Triflers" . . . The band is unusually small, but still made good showings on all parades and

inspections . . . Ex-bandsmen were noticed helping their successors all year . . . Some of the visitors were Bobby Robinson, Sammy Seltzer, George Maddox, Morton Zimmerman, Robert Milwee, Jack Flood, Robert Glazer, Stanley Levanthal, Russell Murdock and David Ball . . . The odds show now that Second Lt. Richard Christensen will be commander next year, along with Colonel-Instructor A. C. Hoppe.

NEWS IN BRIEF

Films on how to give instructions under any conditions were shown to all noncoms and officers.

Cadets passed inspection this year for the first time under Col. Gilbert E. Ackerman, new PMS & T.

Members of the rifle team were unable to wear their letter jackets except on Friday, as it is against regulations to wear them with their uniforms.

UNCLASSIFIED

Wanted: A rifle team that will take national honors. Technical Sgt. Frank A. Orrill.

Will trade: My captain buttons for a major's diamond. Captain Monroe Mirsky.

Lost: My best girl friend because I could not give up my cross-guns. First Lt. A. J. Campagna.

Wanted: Just one more promotion before I graduate. First Sgt. Horace Lumpkin.

Reward: For the return of my lost Sgt. Chevrons. Pvt. Bill Deason.

Wanted: Some metal cross-guns. Captain Marvin Nielsen.

OFF THE RECORD

Certain Cadets were heard saying "I don't mind it, because then I don't have to drill." This is true at Forest since the military department has been giving pictures often on military tactics, customs, first aid, drill and manners of the men in the army.

Who says no one believes in Santa Claus any more? Pvt. Bernard Cohen of Company C was seen just before Christmas writing a letter to him asking for a promotion. (P. S. He is now a sergeant.)

Sgt. Irving Adelstein and Pvt. Jerry Barshop like military so much that they drill each other every afternoon after school in Jerry's backyard.

Capt. Monroe Mirsky was seen long before the Forest Theater opened Monday, December 6, standing out in front. The reason was that he had been informed that he was seen in a news reel. Yep, there he was, along with Major Bill Bushman and Capt. Bobby James, in a picture taken at North Dallas — And (surprise!) Coca-Cola was there too.

Pvt. Billy Rogers, the famous out-of-step man of Company A, is training himself to stay in step. He is often seen marching down the street shouting, "Hut, hut, hut, two, three, four."

CADET CHATTER

Second Lt. Frank Thomas is the only cadet in the corps who has completed four years of military.

Pvt. Fred Tillery nearly burst the buttons off his chest when Col. Coleman announced that all recruits with half a year's service were now privates.

Capt. Bobby Goldberg is the only officer that doesn't shave. Keep a stiff upper lip, Capt.— you'll be a man some day.

Learning is not a matter of the intellect alone, but also of the body and the feelings.—*Henry A. Wallace.*

First String Eleven

Forest 0—Sunset 26

The high spirited Lions held the Bisons scoreless for a quarter and a half, but late in the second quarter Arthur Burch began tossing passes to Bill Terry, and the Bisons led 7-0 at the half and ended with a score of 26-0. The Lions' threat came in passes from Tailback H. L. Pryor to Fullback Harold Zeitman.

Forest 0—Adamson 12

The Lions were coming along fine in the first quarter, until one of the punts was blocked by Adamson, and the Leopards pushed over two tallies in the closing minutes of the game. Tailback H. L. Pryor and Fullback Harold Zeitman were both injured and had to be replaced early in the first quarter.

Forest 7—Tech 24

The Lions scored for the first time in two seasons by a pass from Robert Cruse to Bobby Shelton. Another bright spot for the Lions was the brilliant passing of Charles Tuttle, switched from end position to tailback. The play from Tuttle to Melvin Andrews was of great advantage in the game.

Forest 13—Woodrow 19

The Lions' lead of 7-6 at the end of the first half made the outcome of the game doubtful. However, the Wildcats came back strong in the third quarter and pushed two quick scores across. The Lions struck back, a pass from Robert Cruse to Robert Shelton, but time ran out and the final score was 19-13.

Forest 7—North Dallas 6

The Bulldogs started the game with a quick tally but were soon worn out, and the game seesawed back and forth. With only a minute and a half to play in the first half, charging D. H. Brooks blocked a Canine boot, which rolled out on the two. Fullback Harold Zeitman lost no time in carrying the pellet over for a Greenie touchdown, and Buster Morgan, Lion Halfback, calmly booted the pigskin squarely through the uprights to give the Lions a one-point lead and their first win in two years.

Second String Eleven

Forest 0—Tech 12

The Lions opened the game like champions, taking the kickoff and going all the way to the Tech 6-yard line. Cruse then passed, but it was intercepted by Wolf Leland Stowe, who went all the way to the Lion 30-yard line. The Lions succeeded in holding the Wolves back until the closing minutes of the game where they broke through to a final score of 12-0.

Forest 0—Sunset 54

The second team started the game with hopes of wearing the Bisons down, but the Bisons were strong and scored on almost every play they ran. Chief threat of the Lions was Bernard Cohen, 240-pound substitute tackle, who threw the Bisons for a loss more than once.

Forest 0—Woodrow 27

The Wildcats struck quick and held a 20-0 lead at the half. The Wildcats' constant threat was the ground gaining of Harold Zeitman and the playing of Melvin Andrews, Lion end.

Forest 0—Adamson 13

Meeting our traditional enemies, the Adamson Leopards, "Coach Keeling's Kids" fought hard but lost with a 13-0 score. The Lions were slow starting, but fumbling on the part of the Leopards checked the scoring. The first half ended 0-0, but the Leopards rallied, scoring in the third and fourth quarters.

Forest 8—North Dallas 13

Forest led the first half with a score of 8-6, after a safety, a short pass and a 30-yard run by H. L. Pryor. The score was close, and the Lions were jittery. After the team had been offside three straight times, the ball was placed on the Green Wave's 2-yard line. The Bulldogs scored within the last five minutes of the game, chalking up the finals as 13-8.

Baton Sparkle

Drilling! twirling batons! marching at each game! These are just a few of the duties of the nine Pep Squad captains, which are divided into three groups; five co-captains, five sub-captains and one captain. Each girl is chosen by her grades, rhythm, posture, popularity and personality. Every co-captain and sub-captain has a squad of twelve Pep Squad members and they are held responsible for each girl's attendance and conduct at every game.

Before the North Dallas game the captains practiced twirling batons in order to put on a good exhibition. On that night the graduating captains were presented with large white chrysanthemum corsages by four girls dressed in green and white.

With poise and personality, HELEN GAYLORD led the Pep Squad as captain this year and co-captain in '42. Helen's friendly disposition is her outstanding trait. HELEN LATTIMER, co-captain of the Green and White for two consecutive years, is noted for her beautiful smile and blonde hair. Light brown hair, blue eyes, five feet six inches describes DOROTHEA RUSH, co-captain of the Pep Squad in '42 and '43. A gorgeous bundle of personality is MILDRED KARLEN, 4A, co-captain and member of the Pep Squad for three years. MARGRETTE KIZER, 4B, dark haired beauty, having been a member of the Pep Squad for three years was co-captain in '43. Co-captain BERNIE CLEMENT, 3A, has been a member of the Pep Squad for two and a half years. Natural curly brownette CLARA BELLE VEAL, sub-captain, loves to skate and dance. Clara Belle graduates in June '45. Well-known blonde with green eyes is MAXINE JAMES, 3A. Maxine was sub-captain in '43. The ability to march won WILMA SANDERS, 3B, the title of sub-captain of the Pep Squad in '43. LULA MAYE BAKER, 3A, knowr for her dimples, was sub-captain in '43. Sub-captain ROSANNE FLECHTNER, 3A, with brown hair and brown eyes, is noted for her friendly personality.

Pep—We've Got It!

Joyce Reynolds

● "Plenty of pep and vitality" is the distinguishing characteristic of BETTY LOU HANCOCK, head cheerleader. Betty Lou, who was also cheerleader in '42, won first place in the '44 Echo Sweethearts Contest and second in the '43 Forester Favorites election.

● The "campus clown" of the cheering section was BOB LILLY. Bob, better known as Robin, has plenty of spirit and some to spare. He joined the Navy in May.

● Personality plus—that's BETTY JANE GARDNER. Betty's friendliness won her second place in the Echo Sweethearts Contest and third place in the Forester Favorites in '43.

● Following in his sister's footsteps, MAX GARDNER won the position of cheerleader during his sophomore year. His friendly smile makes him well liked by all.

● Dreamy blue eyes and soft black hair describes JOYCE REYNOLDS. Joyce's popularity is proved by winning top honors in the Forester Favorites Contest this year.

● Dark, and handsome, BEN SUMNER is a favorite among Foresters. Ben takes great pleasure in debating and plans to become a lawyer. His ability to yell made him a capable cheerleader.

● The spark of the cheerleaders is GEORGE FREELAND, who tried to supply everyone with lemons at the games. He enjoys flying and plans to enter the Air Corps.

Cinder Men

In the first triangular meet of the season, HAROLD ZEITMAN, outstanding Lion track man, came out on top in the 220-yard dash and broad jump. H. L. PRYOR placed in the 100-yard dash, and also placed third in the 440 dash. In the sprint relay HAROLD ZEITMAN, IRVING ADELSTEIN, BOBBY EDWARDS and H. L. PRYOR carried away first place. ZEITMAN just couldn't be held down this time, winning the 220-yard dash and the century on March 24 at Dal-Hi. GENE METCALF placed in pole vault, DICK WOOD was second in shot-put and JERRY MILLER ran third in the 880-yard run.

Representing Forest at the annual Texas Relays at Austin were BOBBY EDWARDS, JERRY BARSHOP, IRVING ADELSTEIN and HAROLD ZEITMAN composing the sprint relay team. ZEITMAN also entered the 100- and 220-yard dash.

In the city meet April 12 at Dal-Hi Stadium HAROLD ZEITMAN led the Forest boys by scoring four and one-half points, taking second place in the 220 dash, fourth in century and running anchor lap on the third place sprint relay team. The relay team showed great improvement by taking third place in the sprint relay qualifying the team to enter the regional meet April 22 at SMU's Ownby Stadium.

Sand Lotters

As state baseball champs in 1940, runners-up in the city race in 1941, third in district in 1942, and second in the state last year, the past Green and White nines have left a record for this year's team to shoot at. With experienced lettermen such as JERRY DOYLE, JOHN McCLAREN, EUGENE HIXON, FRANK MORGAN and GEORGE REED to support CHARLES TUTTLE, all-city at left field, who took over the pitcher's mound, the Lions presented a hot race for all other teams. BOBBY JONES, GRADY MILLENDER, BENNY MORGAN and D. H. BROOKS, reserve squadmen from last year, were also back for the Green Wave. JERRY DOYLE, second baseman, was a menace at the plate as well as protecting his sack on the diamond base line. FRANK MORGAN held all hits on his part of the infield and had a batting eye that worried many of the opposing pitchers. Right fielder, GEORGE REED, as a returning letterman, showed his ability more than once in the outfield. Holding down that important position of left field, EUGENE HIXSON conquered all high flying balls. On the mound CHARLES TUTTLE was an outstanding no hit pitcher, and JOHN McCLAREN was capable of catching for any Lion "Dizzy Dean." The Lions are coached by one of the best qualified mentors in the city, Coach ALVA SHEPARD. Once a professional player and umpire, Coach Shepard knows many tricks and training aids that are a vital asset to a high standing baseball team.

Green Wave Splashes

MISCELLANEOUS HITS AND MISSES

JOE "ROUGHOUSE" EDWARDS has lost a little of his manly pride since his younger brother BOBBY has outgrown him.

CHARLES SMITH, court ace, was still playing basketball four weeks after the last game and won a position on the All-City Tournament team at the Oak Cliff YMCA.

BILLY ROGERS had the satisfaction of knowing he was the largest freshman out for spring training, but CHARLES MASTERSON was the most anxious for it to start.

ROBERT CRUSE, captain of the football team, is now a member of the Air Corps Reserve and upon graduation next January will enter the Air Corps.

BUSTER MORGAN took an extra interest in baseball since this will be his last sport to play for the Green and White.

H. L. PRYOR began to look civilized about the first of April, and he permitted his hair to grow and started combing it.

Lanky BILL DEASON (all 6 feet and 8 inches of him) although not eligible to play on the basketball team, was awarded a scholarship to SMU because sports scouts recognized his ability and heights as good material.

On a hunting trip Thanksgiving Day, DICK WOOD accidentally shot CHARLES TUTTLE in the right arm. This wound prevented Tuttle from playing football, but he is fully recovered now.

EUGENE HIXSON, sophomore outfielder, had an unusual advantage on all high flies since he had a reach of nine feet.

GRIDIRON GAB

The fellow who blocked the punt in the North Dallas game was left guard D. H. BROOKS. Nice going!

As long as we're cheering one line man, let's take a look at the others—JIMMIE LOTT, MELVIN ANDREWS, JACK GENTLE, DICK WOOD, JOHN McCLAREN, the Green starting line. These are the fellows who opened those holes through which ZEITMAN, PRYOR, SHELTON and CRUSE made those long gains.

Green Wave Splashes

After winning the games with North Dallas, the boys dyed their hair red to prove that a lot of things would be changed now that the jinx was broken.

Stalwart BILLY PATZIG played center on the Lion eleven, and being a junior, he will be eligible next year.

Making his first appearance on the Lion eleven in the game with Sunset, BERNARD COHEN'S 240 pounds proved a headache to the Bisons.

While MARVIN NIELSEN had the distinction of being the youngest starter on the Green and White Wave, JACK GENTLE gained distinction for his pass snatching.

Even the freshmen are doing it! The fish football team walked over the North Dallas scrubs with a 42-0 count.

BASKETBALL BALLYHOO

Missing from the basketball line-up was center MELVIN ANDREWS, who joined the Navy in January.

The basketball team had a swell time at the open basketball tournament held at the Oak Cliff YMCA in February. Besides finishing in a tie for third place with Grand Prairie, they enjoyed a good swim after each game.

MELTON BARNES was really an all-round reserve since he can play any position on the Lion quint.

The seven Basketeers who lettered are CHARLES SMITH, CHARLES TUTTLE, GRADY MILLENDER, D. H. BROOKS, FRANK MORGAN, JERRY DOYLE and EUGENE HIXSON.

SPORTING SLANTS

The Lions had tough luck when HAROLD ZEITMAN, who placed first in the 100 yard dash, was eliminated in the semi-finals.

The 440 yard relay team was handicapped by the absence of H. L. PRYOR and BOBBY EDWARDS, both of whom were unable to run because of injuries received in spring football practice.

At the Fat Stock Show Meet the Lions saw Charles Tatom of Woodrow break the broad jump record with a leap that measured 22 feet 6 inches.

The sprint relay team that competed in the Texas Relays in Austin was composed of BOBBY EDWARDS, JERRY BARSHOP, IRVING ADELSTEIN and HAROLD ZEITMAN.

TENNIS TRIVIALS

In the game with the Sunset netters, PAULYNE ENGELBERG took over girls singles, subbing for MARY ELIZABETH ADAMS, who was ill.

MILBURN GARONZIK and DONALD ZEMAN used all their clay court tricks and shots to win a round-robin match from the Tech Wolves on the Lion courts.

DOROTHY HILL, newcomer to the team, made a swell showing in the girls' doubles. While LOUIS WATEL, buzzing around the court as fast as the ball itself, had his hands full holding down the boys' singles.

FAIRWAY THRILLS

BOBBY JAMES could be seen all during the season swinging a golf club around, trying to improve his driving form.

Brothers GRADY and DON MILLENDER ended the season with a swell average on the fairway.

Looking like the genuine articles on the green, BOYD MOORE did his bit with his hard, swift drives and accurate putting.

UNDER THE SPOTLIGHT

The Lions were sporting seven milkmen on the team this season since D. H. BROOKS, CHARLES TUTTLE, BUSTER MORGAN, DICK WOOD, EUGENE COPPEDGE, JOE EDWARDS and JACK GENTLE were employees of Metzger's Milk Dairy during the summer. Another member of the white clad group was TOM TUTTLE, manager.

ALL OUT

Recognition should be given to the four Foresters who have lettered at least one year in football, basketball and baseball. They are: JOHN McCLAREN, GRADY MILLENDER, FRANK MORGAN and D. H. BROOKS, with Morgan lettering two years in each sport. That is really showing the Forest Spirit.

On the Fairway

BOBBY JAMES, the only returning squadman for '43, BOYD MOORE, GRADY MILLENDER and DON MILLENDER, all returning lettermen, composed the Golf Team for this year. Because of bad weather in February and March the team was unable to do much practicing for the coming season; however, in the opening game Forest defeated Crozier Technical 5-1. GRADY MILLENDER and BOBBY JAMES won 3 points while DON MILLENDER and BOYD MOORE won 2 points and lost 1. The Lion golfers were drubbed by the Adamson Leopards in the second game with GRADY MILLENDER and BOBBY JAMES being defeated 2-1 and DON MILLENDER and BOYD MOORE losing 3-0. In the match against the Sunset Bisons, DON MILLENDER and BOYD MOORE were downed 3-0 with the GRADY MILLENDER-BOBBY JAMES combination bested by 2 points.

On the Clay Court

With two returning lettermen, MILBURN GARONZIK and MARY ELIZABETH ADAMS, the Lion Tennis Team, coached by J. A. BOULTON, entered the 1944 tennis season. MILBURN GARONZIK and DONALD ZEMAN composed the boys' doubles which took team honors by coming out third in the City Race, and MARY ELIZABETH ADAMS and DOROTHY HILL took over the girls' doubles. EVELYN LYNN, also returning from last year, was the girls' singles and LOUIS WATEL was boys' singles. The Forest netters dropped their first game to the Woodrow Wilson Wildcats with a total of 66 points won 6-0 and 6-0 while the boys' singles ran up scores reading 7-5, 0-6, 6-2. In a fast and furious game the Lions were bested by the Sunset Bisons. The score was split in the encounter with North Dallas, and the Lion racketeers lost the last game of the season to Adamson.

Undoubtedly more attention will be given in the future . . . to look at man as a coordinated human being, not coordinated merely in body, mind, feeling and soul, but coordinated with his fellow human beings. In brief, education must be made to serve the cause of the whole man.

You have seen them dashing about school, collecting subscriptions, getting write-ups and selling advertisements in their spare time. They must work to meet the deadline in order to get the *Forester* to press on time. They came early and stayed late each day. They wrote, typed, read and re-wrote copy. These are just a few of the tasks performed eagerly by them. Students who were interested gave freely of their extra time and study periods in whatever way they could help. They are the *Forester* Annual Staff. Striving to give an accurate account of Forest in '43-'44 to look back on in future years, the staff receives ample reward when the bright, shiny new *Forester* is distributed.

Echo runs off presses bi-weekly on Wednesdays. . . . News, features, editorials and columns give journalism students valuable experience in reporting, composition and headline writing. . . . Forester Annual Staff

We hope you like your '44 *Forester*. The staff has worked hard to publish a book that gives an accurate picture of you in your classes, activities, and sports. Getting the names for the pictures was the hardest because you always wanted to leave as soon as the picture was taken. But all in all, we've enjoyed it.

This is the last time you'll be hearing from us, so we want to say thanks, especially to Harry Crenshaw of Southwestern Engraving Company, Irving Wilkinson Printing Company, the staff, and our advisors, Miss Mary Smith Clark and H. B. Yates, for their interest and cooperation in making this yearbook possible.

● **"Biographic[al]** calling for Fo[rest] mat of the pictu[re] Smith that appear[ed] [in the] paper yesterday."

And so goes the trial of obtaining pictures for the Forest Echo. The Dallas Morning News and the Times Herald, victims of such requests, have in the past endured under the pressure fairly well—in fact, remarkably well—and have come up willing and able to furnish us more pictures.

Pvt. Smith, an ex-Forester, will doubtlesaly find his countenance smeared in print come next edition of the Echo. Our thanks to those two great establishments for their patient helpfulness to greenhorn high school publication.

● **"Who Killed Aunt Caroline?"** is the question raised every afternoon in the school auditorium as members of the cast prepare themselves for Thursday night's performance. Forest's super sleuths should be on hand to pack the auditorium to "standing room only" to arrive at an answer—not that the cast needs any help with the script, which three excitement-filled acts are sure to be well worth the 55 cents admission.

English Class Holds 'Reunion'

The time is 1963, and the place is the beautifully decorated room 104, at Forest Avenue High School. Miss Mary Smith Clark's English 6 class of 1943-44 held a reunion to talk over old times. Many famous people were among those attending.

The old timers exercised their lungs by singing old hit tunes of '43 and the Forest loyalty song.

Despite the few gray hairs and bald heads, everyone seemed carried back to his good old schol days.

On the Go With Leo

September 13—The portals of FAHS opened with a bang! Well, they opened anyway.

September 15—The same old routine. Yep, even the same detention hall, but looking different with Mrs. Jessie Watkins in charge.

September 17—All that standing line for street car cards is now done away with—almost. They are being issued at school during study periods.

September 18—Tonight we lost the first football game of the season to a worthy opponent, the Sunset Bisons, with a score of 26-0.

September 20—On our first assembly this morning Mr. Parker introduced the football coaches and the team. Because of transportation difficulties this year, we will play each school twice instead of playing out-of-town games. Gas shortage, you know.

September 21—Can you hear me-e-e-e-e-e? New students were given a hearing test today. What was that? Did I hear a pin drop?

September 25—Something new has been added—a pay telephone to relieve the congestion in the office.

September 29—The "Lucky Seven." No, not on the Hit Jarade, but the cheerleaders who were elected today: Betty Hancock, Bob Lilly, Betty Gardner, Ben Sumner, George Freeland, Max Gardner and Joyce Reynolds.

September 30—Guilty—Step down. Lila Paris and Kenneth Willis were elected by the Student Council to represent Forest at the Juvenile Traffic Court every Saturday morning.

October 2—"We scored!" "We scored!" shouted every Forester after the second half of the game with Tech. The game ended 24-7 in Tech's favor.

October 6—"Want to buy an Echo?" rang through the halls today. The new staff scored a triumph on the first issue of the Echo with "Beat Woodrow!" for a banner.

October 11—Had the first fire drill this morning. Didn't forget how —made it in two and a half minutes.

October 14—"Rah, rah, rah—team, team, team!" The old walls fairly shook at the pep rally. If this spirit continues, we'll whip the Bulldogs tomorrow.

October 15—We dood it! The ole jinx was broken with a score of 7-6.

October 19—Journalists Jerry Segal and Rosemary Coward made Associated Press by interviewing Vice-President Wallace on his stay in "Big D."

October 21—Hurrah! Holidays! Lucky for us that Ration Book No. 4 was issued at school.

October 26—Lieutenant John Calhoun, guest speaker on the annual Navy Day assembly, told of a naval battle which he experienced near Guadalcanal.

On the Go With Leo

October 28—What's up, Doc? Well, slap me pink! The annual pictures are being taken on schedule for once.

October 29—Tra-la-ta-boom-ba. What's this? Free music lessons being given by Colonel Hoppe in the school auditorium at the sixth period.

October 30—What's haunting you? Goblins? Why, of course, it's Halloween.

November 1—The Texas History Club gave an assembly in honor of Stephen F. Austin. Lieutenant Claude Galloway was guest speaker.

November 3—Bobbie Nell Sims and Rosemary Coward represented Forest at the All-city Red Cross Council meeting.

November 5—Goodbyes were in order for Miss Junia McAllister, who left Forest today to teach at Arizona College.

November 8—"Your battle station is at school," Colonel Hans Christian Adamson of the Army Air Corps, who spent three weeks on the raft with Eddie Rickenbacker, told us today.

November 10—Alegre Cumpleanos. Simply wishing the Pan American Student Forum a happy birthday as they celebrate their seventeenth anniversary today.

November 11—With Lieutenant Colonel Leslie Mitchell leading them, the Forest R.O.T.C. marched in the Armistice Day Parade.

November 12—Honoring Mr. Parker at the game with Woodrow, the Pep Squad and Junior WAC's formed his name on the field between halves.

November 15—Digging deep for our nickels and dimes, we brought the total contributions for the War Chest to $69.51.

November 15—Short periods today along with chills and thrills over the horror picture given by the P.-T. A.

November 22—The Speech Arts Department reminded us of the nearness of Thanksgiving with a special assembly. Hm-m-m, I can almost smell that turkey roasting now.

November 25—Another holiday—Too bad Thanksgiving comes but once a year.

November 26—Boy, do those Echo reporters get around! Rosemary Coward and Gloria Mayhew, co-editors of the Echo, were right on the job interviewing Wendell L. Willkie during his visit here.

November 30—Muy buena programa—just trying to say the Spanish Department presented their sixteenth annual All-Spanish Program today in the auditorium.

December 3—Is that the football team we see in the gym? Yep,the 4A Class is honoring them with a dance.

December 6—We are glad to see Miss Addie Melson back teaching after her severe illness.

On the Go With Leo

December 8—J. C. Carter, addressing the social studies classes, explained the purpose and object of the Social Security Act.

December 10—Foresters thrilled to the acting of Gary Cooper in "The General Died at Dawn."

December 11—Bobby James, captain of the Rifle Team, made the highest score for Forest in the All-city Rifle Match. Good work, Captain James!

December 15—How did all those letters to Santa Claus get around? The Christmas edition of the Echo came out today crammed full of letters to Santa.

December 16—Holly, mistletoe and food. You're on the beam, Lions. Merry Christmas!

January 2—Holidays are over and it's back to school again for little Leo.

January 4—National Honor welcomes seventeen new members into the Society at the traditional initiation assembly today.

January 7—Another fire drill with Mayor Woodall Rodgers, Fire Marshall L. M. Frond, Chief J. W. Stevens, and other members of the fire prevention board as audience.

January 7—Aren't the 2B's coming up in the world? They broke all precedents by giving a 2B Class dance and made a profit of $12.

January 10—New clothes, happy faces and their farewell song typified the Seniors as they appeared on the Senior Day assembly and taught classes throughout the day.

January 13—How many periods for being tardy? May I run in the halls? Is it against the rules to chew gum? Foresters were asking themselves these questions while taking the test on school rules given by the Student Council.

January 14—The Senior Play and long awaited answer to the question, "Who Killed Aunt Caroline?"

January 19—The Senior Edition of the Echo, launched with shouts of joy, announced Betty Lou Hancock and Robert Shelton as the Echo Sweethearts of 1944, with Jerry Segal and Bettye Gardner runners-up.

January 23—We all burned the midnight oil last night for today began exams—need I say more?

January 27—The great day arrives—graduation! "Come on Gaits, let's graduate."

February 1—The new term starts with a different look about Room 300. Mrs. Bliss McManus takes over as art teacher in place of Mrs. Nowlin, who goes to TSCW.

February 7—What ho, Mayor eats crow—maybe. Unless Dallas has a lower percentage of fires than Houston does for this year, Mayor Rodgers will have to eat crow.

On the Go With Leo

February 11—Why all the brilliant glow about the cadets? They must be all shined up for the federal inspection today.

February 14—With bow and arrow in hand, Cupid stalked the halls of Forest looking for prey! Judging from some of the expressions, he had pretty good hunting.

February 15—Ah, Ah, Ah, don't spend the nickel. Come to Room 1 on Tuesday and bank it. The Banking Department starts its drive for new accounts today.

February 16—"Flat-flat-flat!" The most common defect found among Forest coeds when examined by Dr. George was flat feet.

February 25—They're cooking with gas! The 4A's started the new term right with a sport dance.

February 26—"Extra! Extra! New Youth Center opened at Y.W.C.A." The U.S.S. Canteen sponsors dances every Saturday night.

February 29—Today's the day. What day? Why the one that comes but once every four years—Leap Year Day!

March 2—It's here. The returns of the student poll for Forester Favorites. Joyce Reynolds, five feet two, eyes of blue, and Jack Summerfield, office-holder-in-chief, walked away with top honors.

March 3—Any old fountain pens today? Bring them around to the office. They are being repaired for the boys in service.

March 17—The night of the G. I. Jive. In other words tonight is the annual Military Dance.

March 18—Forest was well represented at the City Youth Council by Mariana Gillespie and Leslie Mitchell.

April 5—At last we get to dress up in our Easter bonnets. Happy Easter, Bunnies.

April 10-The Echo rings the bell again for the third straight year, winning the Award of Distinguished merit in the Interscholastic League Press Conference.

April 21—That old familiar dance, but the one that means so much to the graduating class—the Senior Prom.

May 1—The tables are turned! Today being Senior Day, the Seniors took charge of the assembly and classes.

May 5—The Seniors showed their ability to act in producing the Senior Play, "Tell It to Sweeney."

June 3—The day that is anticipated so eagerly by 150 students. Graduation!

"All right, boys, let's get going"—one of Little Leo's favorite people, Mr. Hutchinson, gives out that familiar order . . . "Fight, Team, Fight!" Mascot Patsy Douglas, leads a school yell. Patsy's already a full-fledged Lion . . . Here's what fourth estaters Charles Rogers and J. D. Musso do when they're not writing Regimental Racket or making predictions on next week's games . . . *Second Row:* What? No gas? Dick Wood resorts to forceful measures . . . Traffic on the Greenway

A day with Little Leo Lion—
A nervous breakdown on the cuff—
Yes, sir! To take it, he's got to be tough!
So with vitamin pills and arch supports,
He's here to tell his story.

Leo's a typist down in room five.
But Miss Pritchett doesn't agree
When he makes "p" for "q" or "z,"
Or "m" for "n" or "j" for "k."
But the worm (Leo) turns at report card time
When teacher writes "F" for "A."

Leo's a musician in our Band.
A trumpeter bold is he.
But to get boogie woogie and Sousa mixed—
(Boy! can that Colonel pitch a wicked cymbal!)

"But Echo reporting is somewhat dif—"
Says Leo. (Just call him "Scoop.")
Covering an assignment's a snappy deal;
Why, half the job is the snoop.
And all the story lacks
Are a couple of minor facts,
Like who? What? WHen? WHEre? WHY??
and HOW???

Though a chemistry formula,
Physics law or Latin verb he never learned,
Leo says, "Just watch my smoke
Where a coed is concerned."
They call him Leo the Line.

At four o'clock right on the dot
Leo scampers in haste
For an important rendezvous.
No time for chatter—he can't be late.
—He's wanted in 202.

GRID SEASON BITS

Coeds TULLY ALICE ROBERTSON, LOIS MEEKS and MARY ETTA THOMAS started the pigskin season in collegiate style with skirts and jackets made of college pennants. . . . The Lions' good luck charm was little five-year-old PATSY DOUGLAS, cheerleader mascot and cousin of LYNETTE DOUGLAS. . . . Forest's 7-6 win over North Dallas brought tears to the eyes of CORRINE FELDMAN, who was crying for sheer joy. . . . The boys of the Green and White eleven became carrot-topped redheads to show what fiery spirit is. . . . MARIE GRIFFIS and "Betsy," her Model-A, chugged to all the games. . . . The Pistol Packin' Mama rage hit IRVING ADELSTEIN, who went about school with his toy pistol. . . . JOYCE REYNOLDS started a fad with her handmade Boy Scout moccasins. . . . Getting rough, WALTER THREADGILL, JERRY BARSHOP and HORACE REPHAN practiced commando tactics on the way home from school. . . . DeLOIS GIBSON was used as a guinea pig for a psychology test in her H.E. class. . . . Rationing at Forest gave Freshman TOMMY RAVELL, who acted as guard, an opportunity to see all the pretty girls who came for their mothers' ration books.

AUTUMN LEAVES

The spirit of the crisp weather brought on a Sadie Hawkins Dance given by JACK SUMMERFIELD, GLENN SUMMAR and BENNY APPLE at Jack's house. . . . CHARLES BLANKENSHIP could be found at Garland every Saturday hunting the day long. . . . RICHARD CHRISTENSEN was unaware of the happenings around Forest, at least in his French class, which period was spent in sleep. . . . ALMA ATWOOD caused a mystery among Forest femmes with the handsome unknown lad who accompanied her to school each morning, until he was discovered to be LAURENCE, her brother. . . . SYLVIA MOSS admired JERRY GOLDBERG'S curly black locks in history class each morning so that she couldn't keep from combing them. . . . DEVORA KLEINMAN became the terror around these parts taking her driving lessons. . . . Autumn and spring merged into one for HILDA WOLFE and JACK GENTLE, who seem to retain that starry-eyed gleam throughout the year. . . . HAROLD CORTIMILIA nicknamed freshman beauty GLORIA ROLLINS "Killdee." . . . Taking the clean-up campaign seriously, BILLY CREASEY, BETTY RAWSON, GLORIA MAYHEW and ROSEMARY COWARD swept under their lunch table daily. . . . CLARENCE PARRISH, DONALD BOLDIN and EUGENE BROCKWAY became the Three Musketeers of Forest. . . . VERMELLE McCAIN went domestic with a Sunday in the country spent learning how to milk cows.

HOLLY AND MISTLETOE

Christmas and Santa brought the usual madness of holiday shopping. Little EVELYN JOYCE SCHEPPS hit upon the plan of an iron lung for use in the crowded elevators, while ADELYN DOWNEY was so frustrated by the confusion that she presented the street car motorman a small dictionary page instead of the expected transfer. . . . The seniors suffered the usual ordeal of annual picture taking. But JIMMY ALLEN and BETTY FLETCHNER had fun on the Toyland Express at Titche's on the way to the studio. . . . FAYE SHWIFF and HANNAH KRISS caught up on their window shopping in all the turmoil. . . . BILLY FENNEL wrote a letter to Santa begging for corporal's stripes. . . . Out with the old and in with the new with scads of resolutions for 1944 for Foresters. MARTIN LETOW erected as the 4A class motto "Let's do more in '44." . . . JACK McCOY sported a pageless history book in Miss Brown's class. . . . PATSY SEGUIN, MAXINE JAMES and ELAINE SLADEK went western with blue jeans and plaid shirts. . . . Wartime ear clips were the main worry of DOROTHY KILE, who was rapidly going "daffy". . . . GENE PFLUG became the Dracula of the lunchroom as he went about dropping his sherbets and water glasses. . . . A new ambition was announced by MAXINE RACHOFSKY, who determined to become the first woman president of the United States.

CAMPUS SNAPS

The aggressive 2B class broke all precedent in the presentation of a sophomore dance. . . . Dimpled VIRGINIA HAINES made her debut into Forest Society. . . . Snow and wintry cold brought anything but shivers to MORRIS RIESMAN, who wrote love poetry to MARIAN PASTERNAK. . . . IVAN HUDDLESTON drew a comic strip depicting

Traffic on the Greenway

his own adventures in high school. . . . The new term started off during the "Mairzy Doats" fad. ELMERINE VINCENT was in the spirit of it all as she wandered through the corridors chanting the babyland special. . . . WANDA HARRISON was discovered to be the only Forester born on February 29. . . . LOIS KALIN went to College Station as guest of ex-Forester CECIL WEIL, now Aggie. . . . LORRAINE ALTENAU and BILLY PATZIZ graced Forest halls as one of the cutest couples about the premises, while Forest stags gave NOVELLA BRISENDINE a whirl at the dances. . . . Covering a P.-T. A. meeting for the *Echo,* BILLYE THOMPSON was mistaken for one of the mothers. . . . RHEA GOLDSTEIN was genuinely thrilled to get the autograph of movie star VICTOR MATURE at Titche's Four Freedoms Show. . . . GEORGE RICHARDSON solved the transportation problem, riding piggy-back to detention hall; while CHARLES TUTTLE solved the girl problem by devoting himself to a redheaded doll, which he found when he attended a party.

STATIC AND STUFF

During journalism class MILBURN GARONZIK made the suggestion that the *Echo* use advertisements so that the reporters could get paid. . . . BOBBYE ADAMS went about lamenting the fact that she was five feet tall when she was a freshman; now she's a senior and only four feet and eleven inches tall. . . . The halls resounded with strange noises as JOE WEBBERMAN constantly talked like Donald Duck. . . . This year found MARION LAWTON still chumming with BERNIE RUTH CLEMENT; this friendship has lasted since grade school days. . . . ELOISE THOMPSON spent her entire counseling period studying for the weekly English quiz. . . . "Einstein" was the name given to EUGENE FRIEDMAN in his chemistry class. Eugene worked with chemicals in his father's store. . . . While learning to drive, RUTH THOMSON got two tickets in one week. . . . The girls at ROSALIE ALTMAN'S lunch table were one shocked bunch when she brought a sack of onions to school for lunch. . . . Vitamins have certainly had an effect on MARQUITA OWEN. Mr. Hutchinson caught her pulling a Tarzan trick in the auditorium. . . . While horseback riding, DOROTHY LUDWICK, BETTY SPARKS, EVELYN BEACH, NORMA CHOATE, SHIRLEY MOORE, RUBY FISCHL and ETHLYN KRECEK decided to snap some pictures. After taking a number in various poses, someone discovered that the fiilms weren't in the camera.

OFF THE GRAPEVINE

NINA FAY PARKS, LOUIS MINCE and WYLIE WORDEN could be seen almost every night at the Fair Park Skating Rink. . . . Forest has some ambitious students; PATSY JEAN DAVIS worked nightly at the Dal-Sec Theater. . . . RICHARD ATKIN'S chest swelled fully ten inches when he didn't have to serve in detention squad every afternoon. . . . South America is the incentive that beckons JUANITA ELLIS to become a foreign missionary. . . . The trip to school each morning wouldn't be the same without seeing DAVID BRAHINSKY trying to get a ride. . . . To play first base for the Lions in 1945 is ROBERT TRENT'S greatest desire. . . . MIMI GOODMAN went in for soft, fuzzy things, as she proved with her white angora sweater. . . . FRANCES McDONALD often proudly displayed a picture of her brother Floyd, who is in the Sea Bees. . . . The world has its genii, and so has Forest. BERNARD SCHNITZER completed his masterpiece, "Fantasia in C Sharp Minor," which is sure to be remembered through the ages. . . . Even during the "Swooner Crooner" craze, ALYENE SNOW still prided herself in her collection of over eighty Bing Crosby records. . . . Come Saturday morning, HANNAH WEBBERMAN could always be found sketching at the art museum. . . . Freshman VIRGINIA THORNHILL fascinated everyone with her cute little pigtails.

(A tragedy in three stanzas)

You might expect in this space
An ad for Otto's Automat,
Where all the elite come to meet
To eat—to chew the fat.

Or we might run a paragraph
Boosting sales for Sooper's Stuff—
Good for back aches, palsy quakes,
Fever shakes and scaly dandruff.

But in their stead this tragic bit
Of a desperate editor's corn you find,
Bear with us, then, for this, my pen,
Has scratched with chagrin its last line.
